

Team Roles:

Product Owner: Jack Sanchez
Scrum Master: Hunter Pearson

Developers:
Ethan Langford
Rishabh Prasad
Nitin Pendekanti
James Nolan
Preston Bied

Sprint Goal:

The main goal for the fifth sprint is to improve the flow of the website like filtering, styling, navigation, and ease of use as well as add any final features such as an administrator page needed to ensure the website is production ready for clients to use.

Which stories are in the Sprint Backlog and how many points:

The stories that are in the Sprint Backlog are:

Update the donor and student view pages (1 point)
Allow users to view donor pages to see reviews and items uploaded (2 points)
